to non-members

# The Society of Trust and Estate Practitioners (STEP) for trust and estate practitioners worldwide

Trusted by over 15,000 trust and estate practitioners and financial professionals, the *STEP Journal* is an essential resource for all those in the trust and estates

Previously only available to society members, the *STEP Journal* is now available to all, allowing you the opportunity to get to the forefront of developments in domestic and international wealth management markets.

'I've been a reader of the *STEP Journal* since its inception and have always found it to be the place to go for the most up-to-date and informative news for the trust and estate practitioner, whether domestic or international.'

Keith Dudley, Partner,  
Martineau Johnson, UK

An annual *STEP Journal* subscription package includes:

- 10 issues of the *STEP Journal*
- 4 issues of the *Trust Quarterly Review (TQR)*
- Regular regional supplements

# EP) is the principal professional body

als, and written by eminent professionals in the field,  
community.

Published 10 times a year, the *STEP Journal* is designed to communicate technical information and analysis in a readable and straightforward manner.

Every issue of the *STEP Journal* has all the information you need to stay informed and plan for the developments ahead, including:

- Up-to-date news, trends and issues facing trust and estate practitioners
- Industry debate, incisive comment and thoughtful analysis from leading wealth management experts
- Legislative developments and their implications on your activity
- Comprehensive jurisdictional reviews and regulatory and taxation updates
- Profiles of leading professionals within the trust and estate community with valuable insights into their expertise
- An events calendar with details of STEP events in your area

Your subscription also provides you with:  
*Trust Quarterly Review (TQR)*

Produced in conjunction with The Association of Corporate Trustees, TQR is published four times a year containing the latest technical papers from leading professionals.

## About STEP

The Society of Trust and Estate Practitioners (STEP) is a professional body providing education, training, representation and networking for over 15,000 members, who are professionals specialising in trusts and estates, executorship, will writing, administration and related taxes.

STEP, the principal body for trust and estate practitioners worldwide, is a unique society of professionals who help safeguard clients' personal and family assets.
